

## COMPANY PROFILE

**Horizons Community Development Associates** is a client and community centred consulting company focused on helping organizations and communities achieve their goals. **Horizons** specializes in evaluation and research, facilitation, resource and tool development, and research-based planning for community wellness.

Based in Nova Scotia and serving Atlantic Canada, our team of consultants and support staff offer value-added service to a broad range of clients, including the health sector, government agencies, not-for-profit organizations and businesses. We have a strong reputation as a solid team that produces excellent quality work. The **Horizons** staff have complementary skills and a solid understanding of each other's strengths and abilities. We know how to maximize our collective contributions to any project we take on.

Company owners Cari Patterson and Jean Robinson-Dexter formed **Horizons** in October 2002 by assembling a talented team that share the goal of producing high quality work, while enjoying the experience of working together.

**Horizons Community Development Associates** has a combined fifty years of experience in a broad range of skill areas:

- applied research;
- evaluation services;
- educational and planning tool/resource development;
- facilitation;
- organizational management;
- project coordination;
- strategic planning;
- program planning and development;
- workshop development;
- event planning and coordination;
- advocacy; and
- administrative/clerical support.

The **Horizons** team has developed internationally recognized resources on capacity building and is a recognized leader in health promotion and population health initiatives. We utilize these approaches to build on the strengths of our clients and work towards creative solutions.

**Horizons Community Development Associates** is committed to working with organizations and communities to help them achieve their goals - through creative, flexible and value added service.
